Area 3 Master Councilor
Missouri DeMolay

My Brothers,

The new year is fast approaching and we should look to the future now to ensure our success. As the Area Master Councilor I would like to focus on education and brotherhood this year. I believe in simply focusing on these two points that will help correct so many others.

Enclosed is a calendar of events, some we knew already, some I have planned for the Area this next year. Please note the Area Councilors / Area Advisors Meeting in March and August. This will be a great time to find out how we can work better together as an Area. I have also enclosed my contact information for you to get a hold of me. I have asked the Chapter Advisors to please email me with some chapter information so that I in turn can contact you.

I look forward to working with all of you this next year. Together there isn't anything we can't accomplish if we just put our minds and hearts into it. I am here, ready and willing to help you as a member or a chapter in this awesome order we call DeMolay.

Your Brother;

Cole Short
