

Missouri DeMolay "Kids Helping Kids" Charity Golf Outing

Yellow Ball Contest

\$25 per team

- Each team is given a yellow ball with the team's number.
- When you tee off at the first hole, player 1 uses the yellow ball and the other players use their own balls. Player 2 uses the yellow ball for the second hit; player 3 for the third hit and player 4 for the fourth.
- When putting on the green, use your own ball. Continue the sequence of hitting the yellow ball for the duration of the game.
- At the end of the game, each foursome that still has its own yellow ball gets to put it into the fishbowl and the winner of the drawing takes half the pot for their team! Remaining half goes to help the children.
