Chapter Needs Ranking

The goal of this is to review and evaluate the current condition of your Chapter. Think about your Chapter's strengths and weaknesses. Remember, one of the goals is to have you understand what needs to be done to help your Chapter grow. In order for that to happen, you need to know what needs to be done first. Please rank the following subjects based on the situation in your Chapter. Place a "1" in front of the item which you feel is the MOST IMPORTANT and continue ranking the listings to "12", the LEAST IMPORTANT.
